She should be back on the 24th. I need to check my calendar since I'm trying not to do back to back meetings.

Angela, See Christine's note below. Would it be better to schedule for 4/24 between 12-1 or do you think she's still in Portland then as well? Was hoping to do this next week, but could look 2 weeks out if you want. Thanks!

Where: Dan's office

Jill, I will be traveling to Portland then. One option is for me to call into the meeting. I could call Dan's line if that's where you'll be having the meeting.
